## What is Filet Crochet?

Filet crochet is a type of crochet that uses a grid of evenly spaced stitches to create designs. The stitches are worked in rows, and the pattern is created by alternating between open and closed stitches. Filet crochet can be used to create a wide variety of patterns, from simple geometric designs to complex pictorial images.

## Deco Nouveau and Filet Crochet

The Deco Nouveau style was popular in the late 19th and early 20th centuries. It is characterized by its use of flowing lines, geometric shapes, and organic motifs. Filet crochet is a perfect medium for creating Deco Nouveau designs, as it allows for the creation of intricate patterns with a delicate and airy feel.
