Iffy Daniel Hall is a Nigerian tech entrepreneur who has made a name for himself in the tech industry. He is the founder and CEO of TechAdvance, a company that provides software solutions to businesses. Hall is also a TEDx speaker and has been featured in various publications, including Forbes and The Guardian.

Early Life and Education

Hall was born in Lagos, Nigeria, in 1985. He attended King's College, Lagos, for his secondary education. He then went on to study computer science at the University of Lagos. After graduating from university, Hall worked as a software engineer for several years before starting his own company.

TechAdvance

In 2012, Hall founded TechAdvance, a company that provides software solutions to businesses. TechAdvance offers a range of services, including web development, mobile app development, and software consulting. The company has a team of experienced software engineers who can help businesses with any of their software needs.

TechAdvance has grown rapidly in recent years and has become one of the leading software companies in Nigeria. The company has worked with a number of high-profile clients, including the Nigerian Stock Exchange and the Central Bank of Nigeria.

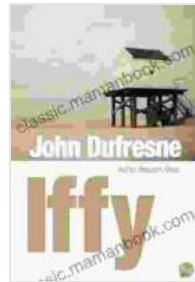

TEDx

In addition to his work with TechAdvance, Hall is also a TEDx speaker. He has given talks on a variety of topics, including technology, entrepreneurship, and innovation. Hall has inspired audiences around the world with his insights and his passion for technology.

Awards and Recognition

Hall has been recognized for his work in the tech industry with a number of awards and accolades. In 2016, he was named one of the "Top 100 Young Entrepreneurs in Africa" by Forbes. He has also been featured in The Guardian's "30 Under 30" list of the most promising young entrepreneurs in Nigeria.

Iffy Daniel Hall is a rising star in the tech industry. He is a talented entrepreneur who has built a successful company that is helping businesses to grow and innovate. Hall is also a passionate advocate for technology and is working to make a positive impact on the world.
