

My Dark Horses Pavilion Poetry: A Poetic Exploration of the Unconscious Mind

Prologue: A Glimpse into the Labyrinth of the Subconscious

My Dark Horses Pavilion Poetry is not a mere collection of words strung together; it is a poetic tapestry woven from the threads of the subconscious mind. It is a realm where the rational world fades into the ethereal mist of dreams and the boundaries between reality and imagination blur.

Poetry has long been recognized as a conduit to the subconscious, a bridge that connects the conscious mind to the depths of our being. It is in this liminal space, where the conscious and unconscious worlds intermingle, that My Dark Horses Pavilion Poetry finds its dwelling.
