Album 1: Little Bright

The first album in the set, Little Bright, is a dreamy and ethereal affair. The album's nine tracks are built around delicate acoustic guitar melodies, shimmering synths, and sparse percussion. The overall effect is one of tranquility and introspection.

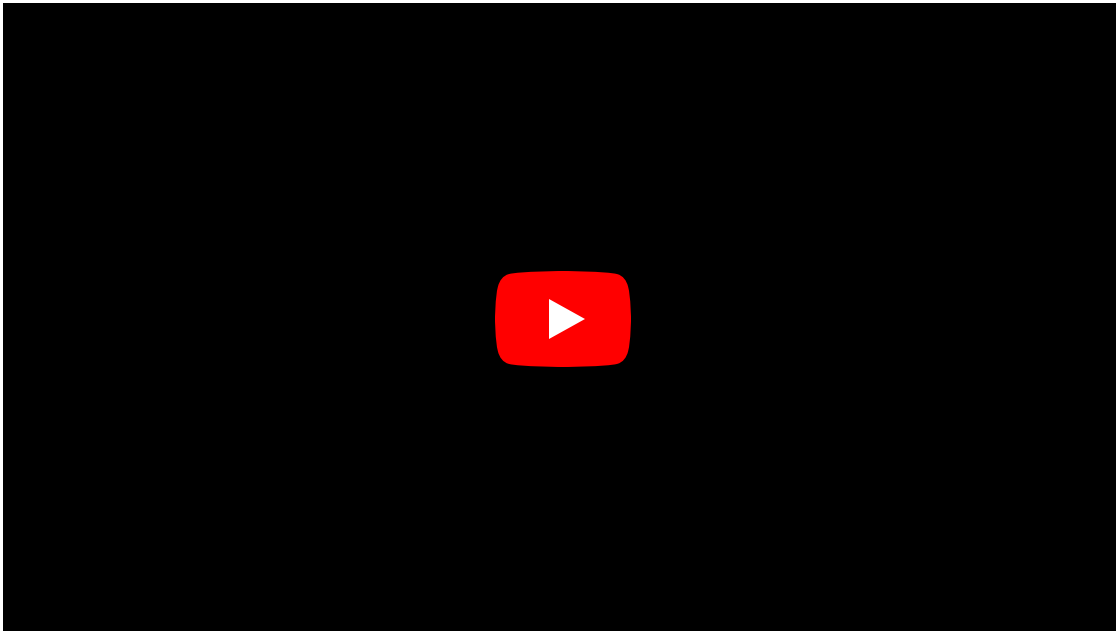

Album 2: Little Bright (Live)

The second album in the set is a live recording of the Little Bright album. This live performance captures the energy and spontaneity of the band's live shows. The tracks on this album are more expansive and improvisational than their studio counterparts, with the band stretching out and exploring the sonic possibilities of their music.

Album 3: Little Bright (Remixes)

The third album in the set is a collection of remixes of the Little Bright album. These remixes were created by a diverse group of artists, including electronic music producers, ambient musicians, and experimental sound designers. The remixes offer a fresh and unique perspective on the original album, showcasing the versatility of Welded Sounds' music.

The Welded Sounds Little Bright Little Bright Set is a must-have for fans of experimental and ambient music. This boxed set offers a comprehensive overview of the band's unique and captivating sound. Whether you're a longtime fan or a newcomer to Welded Sounds, this set is sure to provide you with an unforgettable sonic experience.
